

EAMES FARM BRIDGE POSSIBLE SAYS STATE

Mystery in Welch Death Report

There is a growing sense of frustration and mystery, among the friends of the family of Mrs Mildred Welch, of 24 Brand Avenue. A week ago Sunday Mrs Welch was visited by someone in uniform, who said he was from Fort Devens, and that her son Richard had been killed in action, in Vietnam. Two days later there were radio reports of Richard's death, and on

Wednesday the Lowell paper carried a story of his death. The Town Crier reported it on Thursday. But there has been no confirmation of any kind. Mrs Welch told the Town Crier yesterday afternoon that she has still to hear any official news of her son's death, or the manner in which he died, other than the visit on Sunday of a week ago.

Lions Club

Bulb, Broom, Towel Drive

The Lions Club of Wilmington will be knocking on all doors during the week of September 29th. This is the time of year when every Lion is walking the streets of Wilmington and approaching all to purchase electric light bulbs brooms or towels.

The light bulbs will contain 60 75, and 100 watt bulbs manufactured by a reputable firm.

Every broom is a product of the Division of the Blind of the Commonwealth of Massachusetts. Towels are added to the selling list this year, because of the tremendous success last year. Each package contains one bath, one hand towel, and one face cloth.

The packages sell at \$2.00 each. During the drive last year, many people had set aside the money and greeted the Lion as he approached the door.

The Lions hope for such a warm reception this year too.

There is much work to be done in the field of Research for the Blind and also much assistance needed in Wilmington. The Lions

could spend over thousands of dollars in Wilmington on needy causes or projects if the Drive produces enough income.

Please assist with your purchase in the coming Bulb, Broom and Towel Drive, so that the Wilmington Lions may be in a position to HELP in all areas.

Should you need these items before the date, do not hesitate to call any Wilmington Lion. They will deliver cheerfully.

CAUTION: In the past, persons not Lions have been knocking on doors, or calling by phone in advance of the Lions Drive and selling bulbs. They have never said they were Lions. Please ask for Positive ID, since they also have never said they were not Lions. If you are approached prior to Sept 29, the chances are the person is not representing the Wilmington Lions Club.

SIGHT CONSERVATION WEEK
LIONS OF WILMINGTON...BUY BULBS, BROOMS...OR TOWELS...TO SAVE THE SIGHT OF THOSE IN NEED!

The alternative plan for a bridge over the Boston & Maine Railroad, between Bridge Lane and Silver Lake, as sketched out by Town Engineer Arthur Harding, is feasible, according to what State Engineers of the Department of Public Works have told Rep. Fred F Cain.

The third proposal, to replace the Bridge Lane bridge with a new one, made by the chairman of the Board of Selectmen, is not at all possible, according to what was told Mr Cain.

The 'Bridge Lane Proposal' submitted by Chairman George Boylen, would mean the taking of too much property of the Wilmington

Ford company, including a substantial part of the building, Mr Cain was told. In addition to this there would be serious problems about Carter Lane, across from Bridge Lane, used by some hundreds of school children daily.

The 'Town Engineer Proposal' drawn up on orders of Town Manager Sterling Morris, after a suggestion had been made in the Selectmen's meeting by one of the people present, would have a bridge constructed from the Eames Farm to Main Street, joining the latter street at a point between Rocco's Restaurant and the Main Street Esso Station.

There is sufficient scope for the state engineers to plan a proper elevation for the bridge, and there would only be a few homes in the way of the proposed bridge, the state DPW has told Mr Cain.

There would be no large problems in the construction of such a bridge, Cain has told the Town Crier, after his conversations with the Massachusetts Department of Public Works.

Only six homes would be affected. Brand Avenue would be blocked off, but a new road can easily be built by extending Wiser Street, the state engineers have told Mr Cain.

Town Meeting Could Be Short

The Town Meeting, next Monday, could be one of the shortest on record - if a quorum shows up on time.

There is but one article in the warrant, for appropriation of more money for the proposed Shawheen Avenue School. The Finance Committee has approved.

The meeting is scheduled to start at 8 pm in the Herbert C Barrows auditorium. The voters could be walking out, all through, by 8:05 pm.

BRAD MORSE HOSTS GALA REPUBLICAN NIGHT

Other than Brad Morse, the invited candidates are Senator Ronald C MacKenzie of Burlington, Chester C Sandberg of Billerica, Franklyn B Jackson Jr of Burlington; David D Merrill of North Tewksbury, John J Janas of Lowell, Nils L Nordberg of Reading and Daniel Towse of Stoneham.

LIBBY SANBORN PICTURED IN CHRISTIAN SCIENCE MONITOR

Miss Libby Sanborn of 146 Church has probably achieved the distinction of being the first Wilmington resident to have her picture appear in the pages of the Christian Science Monitor.

Her picture was in that paper last week in connection with a story of the Wallace campaign for President, and of the Wallace campaign team in Massachusetts.

Miss Sanborn is working with Atty Charles H McGue, in an office in Quincy, and the story relates how she was a supporter of Senator Brooke, in 1967.

Community Fund

The annual drive of the Wilmington Community Fund goes into all swing this week, as solicitors are fanning out to the homes of Wilmington, seeking contributions.

All business firms are receiving requests for contributions.

Proposed School Site is 'Muck' says Eliot

The Planning Board, meeting with Professor Charles Eliot in a work session, Tuesday night, discussed the several ways of implementing the 701 studies of Wilmington by a door to door canvass.

Mr. Eliot had with him an outline of the questions that had been asked in 1961 in a survey in the Town of Harvard, showing the number of families, homes, occupations, etc., in more detail than is asked in a Census Study. He and the Planning Board are interested in many details for an over-all study - purchasing habits, working sites, feeling towards governmental and other proposals, etc. Eliot had with him a very large scale map of Wilmington, a 'blow-

up' of the USC&GS map of 1965. The map was for several purposes, one of them being for a discussion of the Wilmington - Burlington Town Line.

Town Engineer Arthur Harding told the board and Prof. Eliot that he felt that the maps produced by the Town of Burlington were accurate, more so than those that had been produced in the past for Wilmington. He was inclined to accept the contentions of the Burlington officials, as to the location of the town lines.

Both Burlington and Woburn, Harding said, are willing to spend more money for maps and data than is Wilmington, and the results show in several ways.

Professor Eliot reviewed his preliminary street and traffic studies, to date. He is studying the impacts of the new proposed Route 62, if it comes through Wilmington, and has sketched out an alternative route near Wilmington Square, using Olson Road, and starting on Lowell Street. There were several spots on Main Street at which his proposed alternative road could end, the furthest north being almost opposite Rocco's Restaurant, to meet the proposed Eames Farm bridge, if it should be built. Eliot also had some beginnings of a study or the proposed road from the vicinity of Eames Street to Lucci's Plaza.

A large montage map had been made by the Town Engineer of the area east of the High School and south of Federal Street to Lowell Street, so that Eliot could make his comments on school proposals for more land.

He found the best site for an intermediate school to be off Woburn

Street, westward, in back of the Allen farm. There were thirty six acres of unhabited land there, and a good site for a leaching field. A roadway could be built from Elm Street he said, to the proposed real estate development in back of the 'Veterans Housing', which would skirt the proposed school land.

There is a twenty two acre tract of land east of the High School which the School Committee has proposed be transferred to the School Department. It is owned by the town. Eliot had but one word for the 22 acre area - 'Muck!'

Another site of land, near the Wildwood School, was also muddy Eliot said.

Danny Gillis explored with Eliot the possibilities of taking the land of the Grange, and of nearby homes up to and including the chicken farm on Wildwood Street. Gillis was seeking information on the relative costs of buying the land along Wildwood Street or of filling the 'muck' in the Maple Meadow

Brook area. He did not, he said, want to put people out of business, he was just exploring thoughts.

Eliot said it might be possible to buy the land of the chicken farm and other properties, and then have a lease-back, so that the chicken farm would not be necessarily be put out of business.

Object to Sign

The Planning Board entered an objection with the State Outdoor Advertising Board, 80 Boylston Street, over a proposed sign to be erected on Ballardvale Street, facing Route 93. The sign is proposed to be built by the Flynn firm of Lawrence, and would be 15 feet high and 42 feet wide.

A request was made that a public hearing be held before permission is given to erect the sign. Such a hearing would be held in Boston.

Bill Hanlon, newest member of the board, was elected secretary, by a 3-0 vote. He will consult with former member Emil Berger on his duties, which involve the Planning Board budget and finances. Gillis said he had had a suggestion from Rep. Fred F. Cain that perhaps a law could be voted in the legislature, for Wilmington, about the problem of the fifty foot lots. Gillis wanted to know Eliot's reaction.

Eliot said he was against any 'special legislation' but conceded that Wilmington has a 'special problem'. He suggested that the Wilmington Planning Board members take up the question in the State Planning Board meeting on October 5 in Worcester.

Pop Warner Teams Win Again

Both of the Pop Warner Charger
Teams won their games this week-
end.

The A Squad took Tewksbury
20 - 0. The B Squad crushed
Swampscott 22 - 0.

In the first quarter Wilmington
fumbled in their own territory.
Excellent line play and hard tack-
ling held Swampscott from taking
advantage of the fumble. Then
Wilmington moved upfield beset
by penalties.

Co-Captain Quarterback Joey
Nickerson connected with end Doug
Stewart for a 15 yd pass, but
Wilmington could get no further
and lost the ball on downs.

Rod Johnson crashed through
Swampscott's defense on the first
Swampscott and forced Swamp-
scott back to fumble. Joey Lunetta
recovered for Wilmington. Co-
Captain Roy Meyer, Fullback, car-
ried the ball for 25 yds on 2
plays for the Chargers first touch
down. Joey Nickerson gained the
2 point conversion on a quarter

back sneak.

When Swampscott received the
kickoff, hardtackling Mark Espos-
ito, Rod Johnson and John Kras-
znickiewicz gave them large losses
on each play. In their own ter-
ritory on the fourth down, Swamp-
scott attempted a punt. Jack
Moran and Mark Esposito blocked
Mark pounced in the end zone
on the loose ball for Wilmington
second touchdown. The conver-
sion failed and Wilmington led
14 - 0.

Charlie Duffy by his shoestring
tackle prevented a sure touch down
in the second period by Swampscott
Roy Meyer broke loose for 40
yards on 2 plays for Wilmington's
third touchdown and his second of
the day. Joey Nickerson again
converted and the score was 22 -
0.

The second team went in and
threatened for another Wilming-
ton score as the clock ran out.

There is always one tell-

A Chargers

In Tewksbury, Wilmington recovered a Tewksbury fumble and marched up the field. A 15 yd pass to Half Back Mark Nelson set up the ball for Wilmington as Dennis Sullivan went off tackle on the next play for Wilmington first touchdown. A penalty spoiled the conversion try.

Tewksbury was held at a standstill and forced to punt. Mark Nelson received the ball and went a long run back for 50 yards to account for Wilmington's second score. The conversion failed at the end of the first quarter, Wilmington led 12 - 0.

In the second, the hard driving Wilmington line held Tewksbury from making any gains and they were forced to give up the ball. Steven Coursey connected with passes to John Gillis and Mark Nelson, but the Chargers gains were offset by penalties. Neither team could score during the 2nd and 3rd quarters and the score remained 12 - 0.

In the last period, Mark Nelson ran a 20 yd sweep to the Tewksbury 15 yd line and Richard Howlett ran two off tackle plays to score the third touchdown. The 2 point conversion failed again. The score over Tewksbury was 18 - 0.

Tewksbury tried to move the ball but Stephen DeLisle intercepted and returned the ball 25 yds. The Wilmington threat faded on the Tewksbury 3 yd line on a fumble

with a minute to play.

Tewksbury fumbled on their next play as Arthur Gilbert Broke through on a hard tackle and Richard Howlett threw down a Tewksbury back as soon as he had recovered it behind the Tewksbury goal line for a safety, making the score 20 - 0, as the clock ran out.

Both teams now have a record of 3 wins and 0 losses, and are shooting for a double championship.

Come out Sunday to see them take on the dangerous Wakefield teams.

The games start at 12:45 on Sunday at the High School Stadium, so we'll see you there!

Wowee! Really was surprised last week. About 5:30, just before this chick was ready to depart for the Clan ratrace, there appeared this sailor standing at the counter with dress blues and hornrimmed glasses. Just as I glanced up, I said, "And which one are you?" And he said, "Three guesses!" Instantly I replied, "TOMMY!" He grinned and af-

Deaths**LILLIAN AINSWORTH DIES**

Mrs Lillian (Lambert) Ainsworth, a resident of Wilmington for over 30 years and more recently of Winchester, passed away at the Winchester Hospital suddenly on September 21st. Mrs Ainsworth was the widow Harry J Ainsworth, the former Police Chief of Wilmington and Andover. She was the mother of Mrs Vada Lindberg of Winchester and the late Major Raymond Ainsworth of Aroostic, Maine, the

sister of Retired Col Edward Lambert of Florida. She is also survived by five grandchildren and one great-grandchild.

Mrs Ainsworth was a former member of the Wilmington Methodist Church and the Acacia Chapter OES.

Funeral Services were held from the Nichols Funeral Home, 187 Middlesex Avenue, on Tuesday at 1:00 pm with Dr John Allen Broyles of the Crawford Memorial Methodist Church of Winchester officiating.

Burial took place in the family lot in Elmwood Cemetery in Methuen.

WALTER SURRETTE PASSES AWAY

Walter A Surrrette, the son of the late Mr and Mrs William Surrrette, of Wilmington, passed away at the Choate Hospital on September 19th, after a brief illness.

Sixty nine years old, he had lived in Wilmington all his life. He was a well known and highly respected member of the community.

He is survived by his wife, Beatrice (Suprenant), four sons, Walter A Jr., Paul E of Wilmington, Joseph B of Lowell, Robert W of Maryland, one daughter, Gladys M of Wilmington; one brother, Joseph of Woburn; three sisters, Mary Durkee of Wilmington, Rose Richards of Everett, and Frances Doucette of Wilmington.

Mr Surrrette was an outstanding pitcher, in his youth, and was the pitcher of the 1917 High School baseball team.

He had worked for the Buck Brothers grocery store, and then for Elia's, as a clerk, until his recent retirement. He was an usher at St. Thomas Church, and a member of the Knights of Columbus.

The funeral was held on Monday from the J B McMahon and Son Funeral Home, 176 Middlesex Ave at 8:15 am, followed by a Solemn High Mass of Requiem, celebrated by Rev Edmund Croke, Rev Edmund Parker, as deacon, and Rev Francis Mackin, as sub-deacon.

Burial was in the family lot at Wildwood Cemetery, with Father Mackin reading the committal prayers, assisted by Father Croke, and Father Parker.

The pall bearers for Mr. Surrrette were Stewart Ring, James Palmer, Richard Pilcher and Donald Burbine.

Chevrolet introduces 1969.

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this.

Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive?

Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button?

Should we have given you less power, instead of the largest standard V8 in its field?

Some people think so.

Our competitors.

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Hugger.

And just look how it all hangs together. No gingerbread anywhere.

We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better.

The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires.

Your Chevrolet dealer offers this advice:

Go on, you other sportsters. Gnash your gears and look tough.

Maybe it will help.

Putting you first, keeps us first.

The team has done well in its scrimmage, to date, with a few week spots, but Wilmington is a C team, and Andover a B team.

One player who will undoubtedly be watched is Ray DiCecca, defensive guard, who tips the scales at 282 1/2 pounds, and is only 6 foot 3 inches.

Richards-Latta Nuptials

At a high noon service in St Thomas Church, September 7, 1968 Ordella M Richards, the daughter of Mr and Mrs Homer S Richards of 274 Middlesex Ave became the bride of Edward T Latta, son of Mr and Mrs Henry C Latta of 7 Lawn Street in an Ecumenical Marriage Ceremony performed by Father Mackin and Reverend Allen Taddell Jr, Pastor of the Wilmington Congregational Church.

Gowned in an empire A-line gown of lace and satin, made by the bride and her mother, with a veil of satin lace and pearls shaped as a rose, the bride was given in marriage by her father.

The maid of honor was Bea Skoog, a friend of the bride from Lexington. The bridesmaids were Elaine Richards and Carol Cross sisters of the bride and Ellen Corson and Jane Latta, sisters of the groom. The flower girls were Cynthia Richards, the bride's niece and Michelle Corson, the groom's niece.

A friend of the groom, Ronald Wybert was best man and the ushers were Harold Latta, the groom's brother; Theodore Richards, a brother of the bride; Michael Burns and Brian Gilligan; friends of the groom. The ring bearer was Charles Cross, the bride's nephew from Kingstown Rhode Island.

The bride's attendants were gownned in Georgette over taffeta floor length empire gowns. The maid of honor and flower girls wore burnt orange while the bridesmaids wore apricot. Their headpieces were bows and veils matching their gowns. Their flowers were a cascade of orange roses and pompoms, while the bride's bouquet was a cascade of white roses, stephanotis and ivy. The flower girls carried baskets of roses and pompoms.

A lovely reception was held at

the Hillview Country Club in North Reading with the Guest Book attended by Barbara Stetson of Melrose, Mass., a friend of the bride.

For the ceremony the mother of the bride chose an aqua lace coat dress with matching accessories and wore a yellow tearose corsage. The mother of the groom chose pink satin jacket drees with matching accessories with pink tearose corsage.

For the wedding trip through

the White Mountains, Montreal and Lake George, the bride chose a gray suit with matching hat and hot pink accessories and flowers. Mrs Latta was graduated from Wilmington High School and Forsyth School for Dental Hygienists employed by Dr George B Dinan of Reading and Dr Richard S Hornung of Wilmington. After her wedding trip, she will be working with Dr Ernest J Crowley of Haver Mass.

Mr Latta was graduated from Wilmington High School and is presently a senior at Bridgewater State College.

Guests traveled to the wedding from Maryland, Montreal, New York, New Hampshire, Connecticut Rhode Island, and New Jersey.

After their honeymoon, the new Mr and Mrs Latta will be at home in Brockton, Massachusetts.

Botulism -- a rare but deadly type of food poisoning, usually is a result of improperly home canned foods.

Unlike other forms of food poisoning, which cause various degrees of gastrointestinal discomfort, but usually disappear in a short time, botulism attacks the nervous system.

In the processing of food, the modern food industry employs techniques for destroying botulism -- causing organisms in airtight containers.

But home-preserved foods, over the years, have caused the vast majority of botulism outbreaks.

The home canner must remember that heat is the most potent weapon against botulism toxin.

THE HANDRAHANS CALL IT *The Garden of Arthur*

Joe Handrahan is the Accountant for the Monroe Paper Company, of Waltham Street.

When Monroe moved into Wilmington a few years ago Mr and Mrs Handrahan began looking for a place in which to build a dream house. They found it in North Wilmington, at the corner of Salem Street, where the late Paul Emmons used to live.

It is a large wooded lot, but unlike many so described this lot had an overgrowth of Chinese Sumac and Ironwood. Chinese Sumac is the kind of tree that was the subject of the story *A Tree Grows in Brooklyn*. It will grow anywhere. It is a weed.

Ironwood is aptly named. It is just like iron -- a scraggly looking tree. The Colonial farmers used the tree to make axles for their ox carts, and other items requiring hard usage. Other than that it isn't much good -- and it's an awful tree to cut down -- the ax becomes dull before the tree falls. Presumably the Deacon who had the One Horse Shay, of which the poet Holmes sang, used Ironwood.

There is a third plant in the area that also comes under the heading of being a weed. It was imported to Wilmington over 50 years ago, for a nursery plant, and it escaped from that nursery. It is called Western Buckthorn. The Handrahans had plenty of Western Buckthorns in the property they bought. So do many other people in Wilmington, but it isn't generally realized yet what a weed the little tree can become.

They built a nice home -- it must have set them back \$30,000 or more. Clarence Pierce of Lynfield was the builder. He wrought nobly of his craft.

Then came the problem of what the Handrahan family was going to do with that scraggly looking back yard.

By happenstance or somehow the Handrahans met Arthur Allgrove.

Arthur lives on Middlesex Avenue, near Waltham Street. Perhaps the meeting was because of this. Perhaps someone told the Handrahans of Arthur's specialties.

Arthur got a Straight D, in Latin, all through High School. His former Latin teacher shakes her head in disbelief when she is told that he did graduate.

For Arthur is not of the common mold.

His use of the English language is strictly Old Yankee. He writes a book every year -- one that would give the talented people of Madison Avenue New York the shakes and shivers, if ever they saw it.

But the little old ladies of Pasadena California, and in winter spots of Florida think it is wonderful. The book is called: *The Eighth (or Ninth -- or Tenth) Annual Register of Arthur Eames Allgrove*, and his address is North Wilmington Maffis.

The cover reminds the reader of the *Old Farmer's Almanac*, but it is bigger. The type is old fashioned, and was designed for Arthur by a man who had nothing but old fashioned type in his printing shop.

It is a part of a business of which very few Wilmington people have heard. It was started by the late Charles Allgrove, during the depression of the 1930s. Arthur has been carrying it on ever since, and

it is nothing for him to jump into his truck and drive off madly for a thousand miles, if he wants a particular herb or plant, in the business.

The book has a strictly corny approach. Arthur tells of walking with his dog, at some lake in the

THE GARDEN OF ARTHUR: The sign was made by Joe Handrahan, who then tried to nail it to an Ironwood Tree. Notice how far he was able to drive the nails, before quitting.

KEN WILSON: Noted organist, is seated on a bench made of native cedar by Newhouse. In the background are Mr and Mrs Clarence Pierce, and Joe Handrahan.

ALLGROVE AND FRIENDS: Mr and Mrs Don Mullen of the Bay State National Bank in Andover, seated on a bench hewed from a white pine tree by Dave Newhouse. Newhouse is in background, with host Joe Handrahan, near the Japanese Tea House.

State of Maine, and how he found a wonderful specimen of some rare flower, or herb, or other plant. Then he prints a picture of the dog!

Those little old ladies respond by sending postpaid orders for the things he sells, in that book. It's a Fabulous Business!

If you want to know about the birds, or the bees, or the trout or other denizens of the streams, ask Arthur.

He may not be the best scholar in the world - but he has a deep and abiding understanding of the

ways of Mother Nature, in the Land of the Yankees, where his forefathers have lived for ten or more generations past.

The Handrahans gave Arthur Allgrove a free hand, to design their garden - and they are the happiest of people, in Wilmington, today.

Arthur got Dave Newhouse to help him. Dave's specialty is carpentry of the kind that makes seats out of old pine trees, and garden bric-a-brac of undistinguished old stumps.

The resulting garden is a work of art - the work of that peculiar genius that marks Arthur Allgrove.

Trees, plants and shrubs, are arranged in an array that can only please. There are native rocks, gray and lichen covered, setting in the garden as only Arthur can set them. There is a pool, with a stream, and rustic benches made of native cedar. The fence too, is native cedar. That's where Dave Newhouse came in - he fashioned those benches and fences, of cedar from Wilmington's cedar swamp,

from which, incidentally, Asa Sheldon once shipped lumber to Finland, one hundred and forty-nine years ago.

Trust Arthur Allgrove to know where to go to find the best cedar for the purpose.

There was a party last Sunday, to show off the garden.

Many of the ladies who were guests brought cookies and cakes. They had a wonderful time, some of them acting as assistant hostesses, and helping Mrs Handrahan.

And, as the sun set, Mrs Handrahan lit candles, which she put in wax lotus blossoms, to float on the pool.

It was a wonderful time, in a wonderful garden, and Arthur Allgrove was practically beside himself - in a very subdued way.

He even had shaped a clump of the Western Buckthorn into a thing of beauty!

And the Handrahan's - pleased as punch - call it The Garden of Arthur.

firmed my conclusion. There stood that remarkable lad, Tommy Wahl in the flesh, and he is stationed at the Fargo Building 'patching cuts and bruises' for the Navy while he is awaiting his discharge for a couple of weeks...Was I ever thrilled.... I've looked forward to meeting this unusual boy for so long that I really felt as though it was one of my own Clan returning to the 'World'. And just as I imagined after his very expressive letters, he is a very shy lad, almost on the verge of being taciturn. Any way - again - WELCOME HOME TOMMY! You are to me what the backbone of this country really is, so we're not too worried that it won't survive in the hands of our young people!

Carl Guarino is home too! But he is confined to the Chelsea Naval Hospital for a while yet! He wants to see all of his friends. The visiting hours are 1 - 4 and 6 - 8...If you can't go in, do drop him a line or card at Chelsea Naval Hospital, Ward G. Good and quick recovery, Carl...and we are certainly looking forward to seeing you too!

Frannie Gray called to tell us that George sends his best, and is so darned busy that he can't call his soul his own over there. But he'll be coming home fairly soon, I think!

There will be a Hebrew School open at the Synagogue on Oct 6.

This is an accredited Hebrew School with an accredited teacher. Mr Kaufman, the same teacher that will be teaching the Kindergarten will be instructing the older children. It will be in session two days, with Hebrew Classes on Sundays, and Special Classes scheduled for Tuesdays. These Special Classes will be topics of the parents choice, such as Bible Study or Bar Mitzvah Lessons.

Registration is held immediately with fees of \$3, for the first child, \$1 for the second, and 50¢ for each additional child.

For further information, please call Mrs Ruben Frankel at 658-9043.

This gal had a real thrill on Sunday. She was invited to the American Tea Garden at Mr and Mrs Joseph Hanrhan's home at 370 Salem Street for tea in the garden. It was spectacular... with waterfalls, ponds, teahouse, paths, and benches, and every kind of evergreen and shrub imaginable and absolutely gorgeous pond lilies in with the goldfish. Our own Arthur Allgrove, of Allgrove Nurseries on Woburn Street did the designing, and Dave Newhouse, the builder, from Taft Road, did the construction. Wish you could all see it...I don't believe that the likes has ever been seen in WIL-

Wilmington!

The Second Annual Calendar Party of the Angelo Joseph V. Roncalli Lodge of the Wilmington Sons of Italy will be held on November 9 at eight o'clock in the Woburn Sons of Italy Lodge on Lexington Street in Woburn. Make your reservations now by calling Fran Gray at 658-4454!

SOS...SOS...THE LIONS CLUB needs your help. They will be on the road and at your doors during this week of Sept. 29th. They will be asking you to purchase their light bulbs, brooms, or towels. Everything is \$2.00 per package.

Now, hear this, the Lions have done remarkable works in Wilmington and now they need your donation or purchase to help them with money. Among the things I know of, are eye operations completely paid for on older folks who are blind, and younger folk with eye problems; testing of the preschoolers as a public service; and glasses for the kids and older people who can't afford them...SO...LET'S GO! If you aren't around this weekend, or don't get 'caught up with' by a Lion, call Tony DeLuca at 658-8663 at supper time or after... Don't forget he is the principal at the North Intermediate School so he's not at home during the day!

(That number is 657-7111!)

Now Tony would also like to hear from any men who are interested in Lionism and would like to become part of a Public Service Club. You can call him with any questions. We hear Tony has had 14 years of perfect attendance in the Wilmington Club and he sincerely wishes to do all possible for the community blind! There's a unique invitation for all of you - including you fellas just back into the 'World' Let's get with it and give Tony your name. He's a great salesman! Let him convince you that the Lion cause is really worthwhile

The Girl Scouts are sending out an SOS too this week. Jean Foley the Coordinator called and she is desperate for leaders. The gals are coming in by droves and guess what, you're right, no leaders at least not enough to go around, so if you know how...or if you don't, Jeannie will show you so give her a buzz, 658-3718.

All of the young folks that are interested in participating with the Human Rights Group are invited to an Organizational Meeting on Sunday, September 30, at 3:00 pm, at the home of Lewis Gardner at 281 Main Street.

On Thursday, September 26th, at 8:15 - that's TONIGHT - there will be two films shown simultaneously - LIFE IN A WHITE SUBURB AND BLACK GHETTO. The admission will be 50¢ for Students and 75¢ for adults. This will be at the East Jr High School (Directions are Rt 28 to Andover Center; right on Morton St; and left on Bartlett Street.) Try to make these kids. The adults have been working hard for you in this Human Rights Group, and have decided that you are on your own to do your own good works, with Lew Gardner and Claire Kroll advising you. Let's see the results...Show us how the other half that are not digging up and cutting wires at the Town Park, or breaking bottles or railings off the Silver Lake Shopping Center - are living. We know you are there! You good kids, let's see your showing.

Are we ever flattered! We got invited this week to join the Army as a dental assistant, operating room assistant, stenographer, aviation personnel specialist, photographer, medical technician, intelligence specialist, data processing specialist with Guaranteed Training. And don't think this chick isn't tempted...with the Clan going six ways to meet the middle and the kitchen ceiling on the floor because the plumbing split! Ah, well, the joys of being young. Think they must have me mixed up with one of the juniors, but it sure boosts my ego to keep getting asked to join by SSG Charles D Skipper, US Army Career Counselor, 34 Bridge St in Lowell... Here's a chance, gals, to see the world...Just call Staff Sgt Charlie!

Had a card from London this week from Mil Trexler, who lived across the street from us for a few years, and whom we thoroughly enjoyed - (you know the professor was with Charles River Breeding Labs and now is with a lab over there, as is Mrs T and studying for her Master's we think) Any way she says that her sister and niece have returned to Indiana. They were there 3 weeks and saw a lot of the country. They spent four days in Scotland.

We have had a neighborhood joke, because it looked for a long time that Trex just sawed down trees when he had nothing else to do - and then we found out, he sawed trees when he was out thinking and he had a regular schedule for a growth pattern to the shrubs...So, this chick wondered what he would do in England where there weren't any trees to saw...so now he plants them! Trex is still digging, but ran out of trees to chop. He's now an experienced stone mason and we keep getting loads of sand and stone!

Is there any end to Professor Trexler's abilities!

That Siamese Cat is loose again in Carl Marcy's back yard this time...658-3080...The yards are all in a row that he has chosen to inhabit, so it must be our friend again!

A cute note from Martha E Rogers RN, whom some of you must know!

'Dear Nancy: Had intended to call you while at home, but never did get around to it. Just want you to know how much I enjoy 'Nosey Nancy' column. Really don't know too many people any more, but do enjoy receiving the paper subscription in Indianapolis each week.

'During World War II, the town paper was sent to me free and have never forgotten and each week I think how much the Wilmington boys overseas are enjoying a touch of home even if the news is several weeks or months old.

'Wilmington is a lovely town and one of these days hope to come home and retire.

'This will reach you after I have returned to Indianapolis as I'm about to board now.

'You must be of the younger generation as I cannot remember you if you have always been a resident of Wilmington!

'Keep up the writing. Sincerely Martha E Rogers RNMS, Director of Psychiatric Nursing, 3000 W Washington Street, Indianapolis,

(Thanks Martha, for those encouraging words...Doubt that I'd really be considered the younger generation...There are ten kids in the Clan, the older being nearing a quarter of a century...and I wasn't considered a child bride! However, might be considered a newcomer, since we've only been in Wilmington about 15 1/2 years and I find this is a limbo era...where you're not considered a resident yet, but you're out of the newcomer class...so we are really having our fun! Anyway it was great to hear from you, and your words of encouragement are deeply appreciated!)

Drop her a card of birthday greeting, Gals...She's remarkable!

There will also be door prizes and refreshments.

Timmy Kelley of Shawsheen Ave a senior at the high school, wrote and dedicated the following free verse, dedicated to John Fullerton:

'What is this thing that people call love; this thing that comes from heaven above.

'There's not much around the world today; When over in Saigon a soldier lay.

'He fought for his country and he fought well; Now either God will take him or he'll go to hell

'God will probably take him for the fighting he has done; and to people who don't know him all it means is minus one.

'Well he fought for you, he fought for me, he fought for Mom and Dad; And for a while everyone will be sincerely sad;

'But they'll forget because of others who will fight and die; And then for them and them alone the townspeople will cry.

'Well this boy I talk about died January this year; So listen to the end of my story and shed for him a tear.

'The boy I talk about lived here in Wilmington; This boy I talk about was John J Fullerton.'

(Well spoken, Tim!)

Alan and Mary Jones have asked me to thank all of the helpful Town folk, that came to their rescue during the recent fire in their cellar. Thanks to the Drum Corps who cleaned and washed and the Fire Department who were most careful what they chopped and where they sprayed (Mary says we can be mighty proud of the job those boys do!) and they even saved the dog! Also, her particular thanks to the Hachey family who 'adopted' Rickey and the Walch family who 'adopted' Danny and the Fillo family, who took in Alan, Mary and the two other boys for the two weeks of cleanup. (Thank you, Mary and Alan. Those are the kind of words that don't get said often enough in this neck of the woods. It made me feel so good this morning to hear Mary singing the praises of this good town with its good people, after hearing tragic things like the kids destroying the wiring at the town park and what we've had going on at Silver Lake!)

Hey, did you notice the new upholstery on the stools at the North Wilmington Pharmacy? You couldn't have made that much on the extra nickel in coffee so soon, there Harry! How about that...They look great, and kids please keep your cotton-picking mitts above the counters. You don't know how many stockings I've had to throw out with those wood tops bare on the stools? Thanks Knew you were good ones!

Saturday, October 5, will be auction day, it seems.

On that morn at 10 am, the Annual Church Auction and Snack Bar will be taking place at the Congregational Church. The local auctioneer is Ken Wilson and you may make contributions if you have some, by calling Bob Evans or Milt Cram!

The same night at 8:00 pm, if you didn't find what you wanted during the day, the Acacia Chapter of the Eastern Star will hold a Gift Auction at the Masonic Temple on Church Street. This will be different in that it will be all new articles, including ceramics, a transistor radio, household items, cosmetics, jewelry. And you can have a Braised Beef Dinner at 6:30 prior to the Auction. Reservations should be made by Thursday, Oct. 3rd, by calling 658-4633 or 658-3191.

So that should be some Saturday and lots of fun! Am going to try to make them both for a short time anyway...So, let's go...See you there!

The first pack meeting of Cub Scout Pack 59 will be held at the Methodist Church on Friday night, Sept 27th at 7 pm. All boys that belong to the pack are urged to attend with their parents. This will be in the Fellowship Hall, the basement of the new Church.

Henry Porter has a story about he and the boss coming back from a trip to Cape Cod, on Sunday, when suddenly the boss pulled over to the side of the road, on 128, down near Quincy.

'Henry', he says - 'that's a pudding stone!'

So Henry, being the obliging fellow that he is, got out to gaze at a pudding stone, which is a kind of rock, and while Larz was explaining in detail what a pudding stone is, as only Larz can (if you don't think so, ask him about mushrooms sometime!) a state cruiser pulls up, with two cops getting out and asking what the trouble is.

Oh No, said Henry - we are just looking at the Pudding Stone.

So the cops said OH. There was a mystified look in their eyes and they gazed straight ahead, as they got into the cruiser and drove off.

Meal**Candidates Thank Voters**

I would like to extend my thanks to those who supported my candidacy for re-election with their votes in the recent primaries.

During the next seven weeks, voters of all political persuasions must decide what is required of their legislators and which candidate can best meet those requirements. The pages of this newspaper will be a valuable aid to them. The record of my first term is available for their availability for their inspection. In addition, I plan able to answer questions personally.

The need for a well-informed electorate is particularly acute now. Its provision is in the

best interest of all concerned with good government.

Hon. Ronald C MacKenzie
Se., Seventh Middlesex District

To the voters of Wilmington who supported my candidacy for State Senate, I express my deepest gratitude. To those who did not, I pledge my every effort to earn your future support.

To Chris Larsen, to the many fine candidates for other offices, and to their dedicated workers, I offer my congratulations. In defeat as well as in victory you have distinguished yourselves, and I look forward to working with you and for you in the future.

Sincerely,
